Dear Parents, 'שיחי'

In order to start the year off on a "nit-free note," we are scheduling a mandatory lice/nit check for all Preschool (boys and girls) and Elementary Girls.

We have hired professional nit checkers, Mrs. Chaya Gold and Mrs. Ety Stern, to examine each of our children on Wednesday 'אלול ד', September 4 from 9:30 -12:30 at **Cheder Chabad Girls, 25 S. Monsey Road, Airmont, NY 10952.**

In order to ensure a faster experience, we are implementing two separate times. The time slot for last names beginning with A-L will be from 9:30-11:00, and last names beginning with M-Z will be from 11:00-12:30. Your children's hair should be clean, tangle free, dry and no gel.

In addition to the initial check, students will be professionally checked **every month** during the school year, IN SCHOOL.

**The fee for this service will be \$20 per child, per year. The total fee per family is \$50.** Payment is due at the time of the first checking. You may pay with cash (exact change please) or check, which should be made out to Mrs. Gold.

It is really important that all children be checked before school begins. If you cannot attend the Wednesday group checking, you may schedule a private appointment with the nit-checkers. You will have to pay an additional charge of \$10 per child directly to the nit-checker.

If a child is found with nits or lice, the child will have to be treated as per our nit checkers instructions, and will only be able to return to school with a signed note from one of the designated checkers listed below. In the event of nits or lice being found in your child, the fee for re-checking your child's head will be \$15. This money is paid directly to the nit checkers. You will be required to follow the nit checker's guideline on re-checking for at least one week afterwards.

In addition, any student flying overseas during the school year will be required to be checked by the nit checkers and receive a signed note before returning to school. A \$15 fee will apply.

Our checkers are:
