**A MESSAGE FROM  
MRS. FRIEDLAND**

ה"ב things are progressing beautifully during our afternoon studies. We have some great programs going on. Many girls are growing by leaps and bounds in their learning and reading. We have our "Book Club" reading program, where the girls read books and write a little about the book they read. Then they get to place a flower on the bulletin board. We are aiming to fill the board with flowers. This month marks our second round of "FLOWER POWER GIRLS". These girls showed good מידות, positive attitudes, דרך ארץ, and respect for their teachers & peers. We are all so proud of them! I am looking forward to more growing and learning over the next few months.
