## Fun in the Snow

By: Esther Levin

Hello! My name is Esther Rochel Levin, and I am 8 years old. I want

to tell you a story. Once I was playing with my friends in the snow. We had a snowball fight! When we came in from the snow, we got hot cocoa with marshmallow. It was sooo good! Good Bye!

## The Best Winter

By: Mushka Heber

One winter we had a huge snowstorm. It was 2 feet and 8 inches tall! We made snow slides and houses out of snow. Then we went inside. We got hot cocoa with marshmallows. It was the best winter ever!

## Skiing

By: Faigy Drew

On Monday, I went skiing In Catamount Mountain. It took two hours to get there. They gave us lift tickets. They were twenty-five dollars each. I got a personal trainer. His name was Rob. He taught me how to ski in a S shape. I love skiing!

## The Best Time of the Year

By: Nechama Lebovitz

Last week we had a snowfall. I made a snowman and we went sledding. I went flying into the snow! It was the best time! bye bye. Will you come next?

## Snow Cold

By: Perel Rimler

It finally snowed! I already played in it. The snow was twelve inches high! Once I got stuck in the snow. My brother had to pull me out! I couldn't walk, but I wanted to play. So I tried. Then I went inside and made hot cocoa. It was so good that I had two more. Later we watched a video. I couldn't believe it was night already! So I had to go to bed. Good night!

## Fun in the Snow

By: Chaya Mushka Hott

Last week was a snow day. I had a fun time playing in the snow. I sat in it, I dug in it, I fell in it, and I hurt myself. I did a lot more things. After we had hot cocoa. It was so good. That day was the best!

Thank you to an amazing team of 8th graders who participated in Purim Mivtzoim and packed

300 Mishloach Manoses for a local Chabad House.

# 5th GRADE

Miss Stern

In honor of President's day, Miss

Stern's 5th grade class worked on a Presidents' report and creative bulletin board. They are also working on mastering the names of the presidents by heart!

# 4th GRADE

Miss Kugelman

Our class had such fun Purim shtick! Miss Kugelman came into the

classroom and was greeted with perfect silence. There was a message on the board that

said: "Please go to the stairs leading to the Elementary School." Our teacher went from the class to the stairs and saw two girls holding a sign that said: "Go up the stairs." When she went up the stairs she saw another girls with a sign telling her where to go. She went all over the school and saw different girls holding signs giving my teacher directions where to go. At the end Miss Kugelman was directed back to the classroom. When our teacher came into the classroom we threw confetti and we had a big sign saying, "Happy Purim Miss Kugelman." We were all dressed up with different costumes! It was a blast!
