A Class Trip

One day after Hebrew my teacher said we are going on a trip after lunch. Mrs. Bialestock drove in Perel's mom's van, and Mrs. Lebovitz and Mrs. Hershkowitz drove their cars. I was in Mrs. Lebovitz's car. Finally we got to the park. At the park we went on a hike. It was so much fun! The end.

A Trip to Children's Park

Once our class went on a class trip. We went in three cars. I went in my car. It was a short drive there and back. First we went on a hike and we balanced on rocks. Some people got their shoes wet, but I didn't get wet at all but my shoes got a little muddy. After we walked to a bridge and took a picture. Next we had ice pops in a gazebo. Last we went to a playground. We had a fun day!

was so much fun! When we were done we walked a little more and then we stopped by a bridge to take a picture. We saw the other class and went to the playground with them. It was so much fun!

Hi again! It's me, Rochel Leah, and I have more for you. Yesterday, Wednesday, my class went on a trip. On the way there and back I went in Mrs. Lebovitz's van. First we went on a hike. On the hike we saw water with rocks on top and climbed on them. After that we went to the playground. I especially liked the swings. Perel did a really high jump. Then we went back to school. Bye.

By the Water

Hi! I went to a park yesterday. We were going on rocks in water! Do you believe me? I fell in the water. I was soaking! The end. I will see you next time.

Class Trip

Hello! My name is Esther Rochel Levin. I'm 8 years old and I live in Westchester. Today I want to tell you about a trip I had yesterday. First our teacher told us that we were going to the park. "Yay!" we cried. Before long it was time to go. We were so excited! We went to climb on rocks. Then we went to hike and finally we came to the playground. Oh no, I forgot to tell you, we got ices. Then it was time to go back to school. This is a trip that I am so, so thankful for and of course a trip that I will never forget! The end.

The Park

Yesterday we went to the park. Most of us went in the van. First we went on a hike. Then the class passed a stream with a bunch of rocks. The teacher let us go on the rocks. I fell four times! My shoes and sleeves got wet. I love the Children's Park!

Class Trip

We went to a park the and first thing we did is a hike. We went right and left. We saw a lake and it had a lot of rocks. I was scared. I went on a rock. It was fun! Then another and another. One rock slipped. AAA! Then we got ices. Mine was red. Next we went to the playground. We went to school in Goldie Altein's car. Her father was funny. He said his car is going to take off. Goldie said to the GPS to go to her old house.

Fun at the Park

On Monday my teacher said, "On Wednesday we will go on our Spring trip" There were shouts of yays and hurras! Everyone was so excited! Everyone in my class (and the other second grade class) were waiting and waiting. Finally it was Wednesday we were so excited. On the way there Mrs. Bialestock drove a van. We started with a hike. We saw a brook with rocks and decided to climb on them. It

כתה ד', Morah Rimler's class wrote poems about Moshiach. The incorporated many concepts of עניני גאולה ומשיח that we learned this

Moshiach is here
How do we prepare?
To learn Torah every day
And do little play
Cuz Moshiach is seconds away
How must we play?
In the Torah way
Ask for Moshiach in every way
And he will come anyway
Get ready, get set
Moshiach will be here yet.

By: Leah Labkowski and Shaina Wolf

We're preparing for Moshiach
We must not waste our time
And that's why we made
This Moshiach rhyme

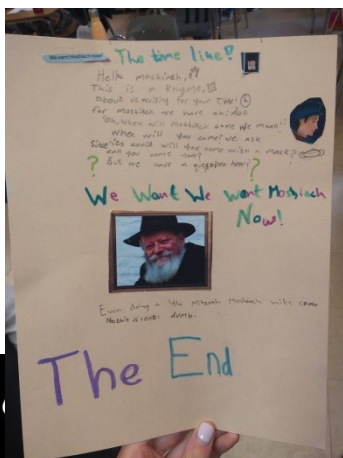

We must make our homes for Hashem,
And then Hashem will dwell in them.

We wait for Moshiach so much,
That we pack a suitcase with all our stuff.

When we learn about Moshiach more and more,
We get Moshiach that we earn.

That is why we are here today,
To bring Moshiach right away!

By: Devorah Leah Friedman, Mushka Silverman
and Esther Rivka Hott

Hello Moshiach,
This is a rhyme,
About us waiting for your time!
For Moshiach we have Chidon,
"Oh, when will Moshiach come?" We moan.
"When will you come?" We ask,
Since it's COVID, will you come with a mask?
Can you come now?
But we have a question, how?
We want Moshiach now!

Read a Thon Update!

Thanks to the following students for participating in the read-a-thon. With their involvement, we have raised over \$3,000 for the Cheder Library!!!

We have א"ב already added many, many new books into circulation, and will continue to grow the library for the new school year.

Thank you to all the parents that encouraged their girls to take part. The money is a great resource for the library, but the many hours that girls have been reading and developing their love of books is priceless! Looking forward to another wonderful year א"י.
