4th GRADE

Miss Rimler's ד' כתה decorated glass candlesticks and packed them in beautiful gift bags with

handwritten cards to give for מבצע נש"ק. The activity was a celebration in the spirit of "שכר מצוה מצוה" for their beautiful efforts in אהבת ישראל

this year. Instead of an ordinary prize, they got

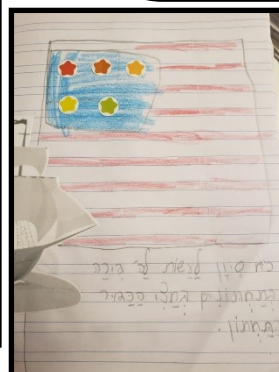

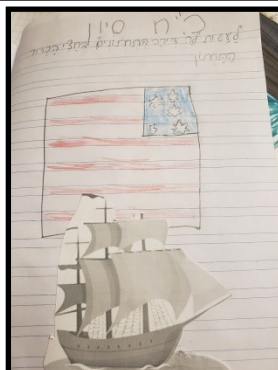

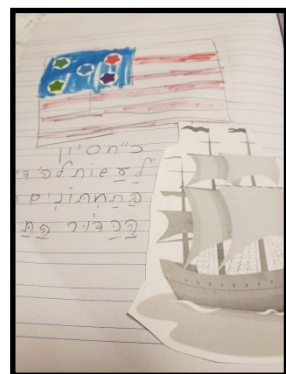

a real prize, the pleasure of another מצוה!

They were so excited and put a lot of effort into making the candlesticks beautiful.

כ"ח סיון is the auspicious day that the Rebbe and Rebbetzin arrived on the shores of America, 80 years ago!. The girls at Cheder Chabad learned all about the importance of this day and took upon themselves to fulfill the Rebbe's mission.

INVENTORS FAIR

מלאכה FAIR

Mrs. Serebryanski's 7th Grade did an amazing job exhibiting all the מלאכות in the 7th grade.

Upon completing all 39 מלאכות every girl made a 3D exhibit explaining her מלאכה. The girls did a fantastic job and we are so proud of them!
