I'd like to introduce our new Tzivos Hashem Base Commander, Frumie Bronstein. Please find her letter below explaining the process of how to sign up your children. I am looking forward to a successful year in Tzivos Hashem.

Mrs. Rosenbluh

Dear Parents,

In 5741, the Rebbe instituted Tzivos Hashem to add chayus to the Hakhel campaign. It was then that he penned a letter to children and addressed the inaugural Tzivos Hashem rally. In those years, children had the zechus of hearing their directives directly from the Rebbe.

Today our children rely on us to inspire them. Chayolei Tzivos Hashem is a valuable resource in helping that happen.

The registration fee for the year is \$60. It is a one-time fee, which includes weekly mission sheets, monthly rallies, promotions, prizes, a subscription to Hachayol magazine, and a Tzivos Hashem Gift (contingent on doing missions for a certain number of weeks.)

**To subscribe, follow the steps below.**

1. Create an account on [mashpia.com/mobile](https://mashpia.com/mobile) via your browser or the Tzivos Hashem app. If your family has registered previously, simply log on with your user.
2. For a child who has been registered previously, click the "register" button near their name. For a child who has not yet registered previously, click "add child."
3. Enter all relevant information in the fields. Double-check that all details are correct, as the information will be used for promotions, Hachayol, and certificates throughout the year.
4. Feel free to reach out with any questions [thgirls@chedermonsey.org](mailto:thgirls@chedermonsey.org).
5. It's recommended to join the WhatsApp group only for updates and useful and important information. Only admins can write so that it doesn't get too many messages per day. <https://chat.whatsapp.com/LaaRLSQ8sdPliXhtwGeK7H>
6. Chidon will be launched and announced for grades 5-8 next week. (Girls who want to join chidon can do so independently without signing up for the Tzivos Hashem program itself.)

May you have much nachas from your children as they continue to climb in the ranks of Hashem's army.

Sincerely,

Frumie Bronstein

## THEME SONG AND BREAKOUT

Each morning when we wake  
With every step we take  
We fill ourselves with energy  
To keep on running

Each tefillah that we say  
Learning torah every day  
Infuses us with chayus  
Moving forward on our way

CCM,  
Get up and go,  
One step forward cuz we know,  
The Rebbe's vision is so clear  
He sees moshiach here

Ever single step we take  
A real difference it does make  
No one knows which is the one  
To see our mission done

We will keep our goal in mind  
Just step ahead, don't look behind  
Get our gear we're nearly there  
There is no better time

The Rebbe's marching orders clear,  
We know that we are almost there,  
One step closer and it's time,  
We've reached the finish line!
