OUR CHEDER'S VOICE

CHEDER CHABAD BOYS DIVISION

LETTER FROM THE MENAHEL:

Dear Parents,

Gut Yom tov,

Yud Tes Kislev is the day on which we are given our life and light. The *posuk* says regarding fulfillment of Mitzvos, "so that you will live in them". To live a full and inspired life, connected to Hashem, is made possible through the light of chassidus which was gifted to us on this day.

החג אשר פדה בשלום נפשנו ואור וחיות נפשנו ניתן לנו.

These intensely packed words written by the Rebbe Rashab send a shiver down the spine of every chosid, as they realize the extent of the gift and blessing that we are given perpetually.

May we merit to imbue this spirit within our children's hearts and may we merit to see them walking in the ways of chassidus towards Moshiach tzidkeinu NOW!

Mazal tov to Moshe (Momo) Drew on finishing a *masechta* that he learnt in honor of Yud Tes Kislev and for sharing the *siyum* with his friends.

It is a true joy to see talmidim in the cheder participating in the "bifnim" project. Two talmidim won prizes this week, Levi Kaminker of Kita beis and Avrumi Schild of Kita Daled. Please reach out to the office for more information about this project.

לשנה טובה בלימוד החסידות ובדרכי החסידות תכתבו ותחתמו!

Wishing you a good Shabbos and a good yom tov,

Rabbi Kaplan

A PEEK AT OUR WEEK

What a learning infused week it was in our first grade! The week began with a fun science class given by our very own Dr. Schnitzel! The boys were very involved with the science activities and had a "ball"....specifically a ping pong ball. Please ask them to explain. Our writers in first grade are really creative! With pen in hand and writing inspiration, the boys have been enjoying creating wonderful, magical writings. The class is zipping through their reading program as they focus on more phonetic sounds and are working on grammar rules. They know that a "v" must not end a word, so an "e" should be added. In math, the class began adding 3 numbers!

Our second graders had a great week, baruch Hashem! They finished Chapter 3 in math and are ready for a test. The boys have mastered the foundations of addition and subtraction beautifully and have demonstrated their understanding of the concepts. They used real life examples to create problems and solutions using their new skills. The stories kept them on edge and everyone vied to be the volunteer to help out. Opportunity day was a wonderful way to review and prepare for the test while earning extra credit. The boys have practiced many new reading rules and focused mainly on the o-e, e-e words as well as two syllable words ending in the magic e.

After a stormy Monday, the class read a book that taught them about the different types of storms, how they are formed, and under which conditions. The vivid pictures were fascinating to look at and many boys had information and stories to add. New on the Run kept the class updated on current events. They learned about the transition that is taking place in the presidential office. It is amazing to see how much the boys know about the world and Miss Klatzko enjoyed hearing their insightful comments.

This week Mrs. Volfman's third grade continued with many activities to reinforce their multiplication facts. They continued their five senses unit by learning all about sight. In their writing unit, using the "Write Approach" method, the boys learned how to generate lists and focused on learning how to write a topic sentence for their list. The boys are becoming pros in their cursive writing. The week ended with current events, "News On the Run", which all of our boys enjoy!

Our fifth graders are continuing along their division track by dividing larger numbers with remainders. In ELA the story the class read was about a boy visiting England who was confused to hear that his jacket was left in the boot. Yikes!! The class discussed language differences and Benzion Solomon shared with all that in Israel the word cuckoo is a ponytail. The English language can be confusing at times!

Have a wonderful Shabbos!

CHANUKAH PUSHKA CAMPAIGN

Dear Parents , שיחיו,

One of the central *minhagim* of Chanukah is to increase in the giving of Tzedakah.

As in the past, we are asking the cheder talmidim, with their parents' permission and supervision, to participate in the children's *Pushkah* Campaign to help raise funds for learning-centered programs at the Boy's cheder.

Chanuka is the festival of lights and Torah is light, *Torah ohr*. The funds of this campaign will be directed to providing extra support and incentives to students to improve their learning.

Every talmid will receive a labeled cheder pushkah and will be given an opportunity to collect tzedakah. Talmidim may collect tzedakah from neighbors on the block, or people they meet in their local shuls or at community celebrations, etc. Social distancing measures should be adhered to and respected in all settings. Talmidim may also donate part of their *maaser* for their chanukah *gelt*.

The cheder is offering incentives to encourage participation. We have put together a catalog of prizes which talmidim can earn per amount of money they raise. The prizes are not a raffle, prizes are given per qualifying amount collected. Samples of the prizes will be on display at the cheder.

The deadline for submitting pushkas and ordering from the catalog is Monday, 6 Teves, 5781.

We ask that you encourage your son/s to participate in this project in a way that raises the pride of our talmidim in the cheder and have them learn responsibility and integrity.

Wishing you a freilichen Chanukah,

Rabbi Kaplan
