

# Our Cheder's Voice

CHEDER CHABAD BOY'S DIVISION

## LETTER FROM THE MENAHEL:

Dear Parents,

The success of the Lag Baomer outing is due primarily to the Rebbies. The hours of hiking and playing sports with the *talmidim* require endurance and dedication of another type. The *melamidim* exuded commitment and tenacity in sticking through hours of hiking and hours of coaching the games of their *talmidim*. No small feat.

As we approach the final weeks of cheder we have increased assessments and testing to make sure that the boys are at grade level. We have a few weeks remaining to reinforce the skills gained this year and to strengthen weak areas as needed.

Please pay extra attention during this time of year to our communication about *farhers*, tests, and assessments. The focus now is on your child's readiness for the next grade and/or any focus areas that may require special attention to bring up to grade level.

A big thank you to Rabbi Lesches for honoring our *talmidim* at the *siyum horambam*. Having Rabbi Lesches present gave the event a feeling of being part of a *kehilah* and reaching beyond the cheder. We wish him to be *maarich yomim al mamlachto gezunterheit!*

Wishing you a good Shabbos,  
Rabbi Kaplan

# A PEEK AT OUR WEEK

Dr. Schnitzel came by the second grade to teach the boys how to make SLIME. They added food coloring and watched it change from liquid to a gel like substance. He informed them that glue is made from animal based ingredients, as in horses. Oh my!! In ELA, we introduced the last of the Long E spelled Y, at the end of a word, as in story. Also, the word slowly, with the suffix LY, is an adverb. Our unit on money is "hands on" as the boys use "fake money" to make purchases and figure out their change. They are making cents from dollars and having fun. Gut shabbos!!

B"H it has been quite busy in Grade 3 English Studies. In our math unit we are continuing to learn all about area and perimeter. We are comparing different rectangles and discussing the difference in their area. The boys are enjoying figuring out the area of combined shapes as well. In reading we read an adventure story called "The Cave of the Lost". As we read the story we focused on the reading skill of visualization, and then the boys discussed new endings for the story. In Language Arts this week we learned all about similes. The boys came up with so many great similes! Last week we had an opportunity to have a special art lesson with Mrs. Jacobs. The boys learned techniques to draw Lag Baomer scenes with pastels. The boys did a fabulous job!

The week has sped by as the boys of 4B are flying high with excitement over their studies! ("Spring Fever" may also be a factor...). We have delved deeper into fractions; learning about reducing and lowest common denominators. In Social Studies we are learning about the American Revolution. In Reading we learned about King Midas. We learned the expression "the Midas touch" based on the story. We even saw how the goyim "borrow" things from Jewish history and make it theirs! Finally, in Science we concluded our unit on Nutrition, and we are looking forward to another visit by Mrs. Sobol, iy"H one day next week. In addition, we ended our week with (News on the Run, of course and) a Salad Bar, where even the pickiest eaters found something to eat! (See pictures). Many thanks to all the parents who sent in vegetables, forks, spoons etc. A special thank you to the parent who came all the way from Pomona to bring in the vegetable that his son forgot at home! Reminder: the State Report is due be"H ONE WEEK from this coming Monday! Have a guten Shabbos!

## Happy Birthday

Moshe Volfman, Yosef Weingarten,

Reuven Lasker, Benche Solomon, Adam Krispine,

Menachem Mendel Kessler

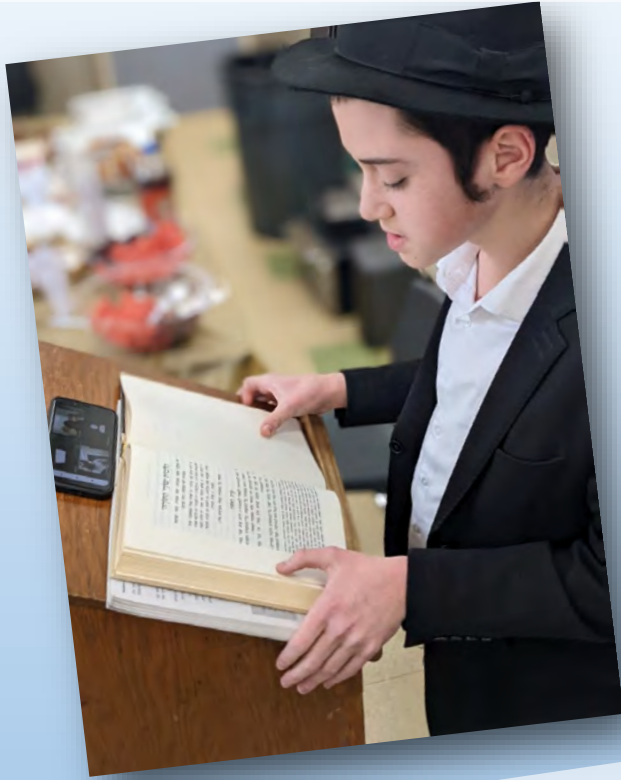

**May you have a Shnas Hatzlochah!**

# PIRKEI AVOS PROGRAM

Learn the weekly פתגמים from *pirkei Avos*  
included in the weekly newsletter

\*Learn the meaning of each saying  
\*Memorize them

כיתות א-ב: פתגמים 1-4

כיתות ג-ה: פתגמים 1-8

כיתות ו-ח: פתגמים 1-11

TAKE THE  
TEST ON  
SUNDAY

Students who receive an 80% or above will  
be entered into a raffle

- 1st place winner \$5
- Runner up \$2

Each division will have a different test and a different raffle

## פרקי אבות פרק ד'

1. איזהו חכם, הלומד מפל אדם
2. איזהו עשיר, השומח בחלקו
3. הוי רץ למצוה קלה בבחמורה, ובורח מן העברה.
4. שמצוה גוררת מצוה
5. כל המקיים את התורה מעני, סופו לקיימה מעשור
6. והוי שפל רוח בפני כל אדם
7. וכבוד חברך כמורא רבך
8. הוי מקדים בשלום כל אדם
9. הלומד ילד למה הוא דומה, לדיו כתובה על ניר חדש
10. אל תסתכל בקנקו, אלא במה שיש בו
11. הקנאה והתאוה והפבוד, מוציאין את האדם מן העולם
